

## Suggestions for training in each of the 5 HMR components

Titles of required training components	How/Where you can get the training for each components
<b>GENERAL AWARENESS / FAMILIARIZATION</b>	<p>Complete the free Hazardous Materials Transportation Training Modules at <a href="http://www.phmsa.dot.gov/hazmat/outreach-training/training-modules">http://www.phmsa.dot.gov/hazmat/outreach-training/training-modules</a> Click the link on this page and register yourself and complete each of the 6 modules. The program will save as you go so you don't have to complete everything at once. Once you have completed all of the modules, you can print a training status report to show that you have completed everything.</p> <p>You can also pay for this training. EMI Alaska in Anchorage is one company that provides this training, and certifies it. You can check out their training schedule and fees at <a href="https://www.emi-alaska.com/trainingschedule.html">https://www.emi-alaska.com/trainingschedule.html</a> The course you'd need to take is their "HAZMAT Transportation Initial (DOT/IATA)" and it costs \$225 per person. You will get tested and certified through this training. They also offer the IMDG Training for vessel/barge shipping. Contact EMI at (907) 272-8852.</p>
