EYE RECYCLE

Franklin Harriman

PLEASE RECYCLE

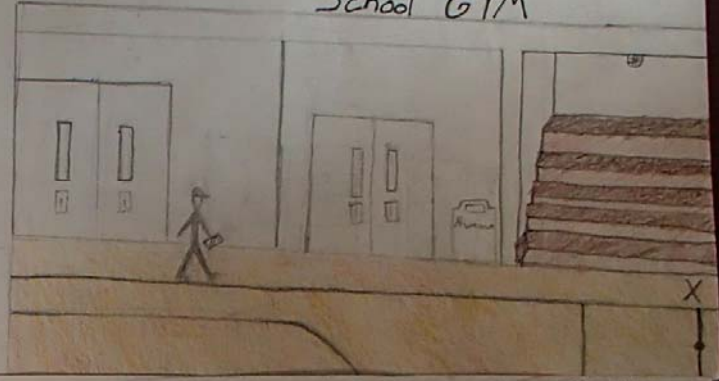

- There's enough cups forks and spoons to circle the earth 300 times
- There's enough plastic film to shrink wrap Texas
- There's enough office paper to build a 12 ft wall to New York to Los Angeles
- Styrofoam cups decompose in 500 years

- ### RECYCLE AT
- GYM
 - AC Store
 - Airport
 - Tribal office
 - City office

- Plastic trash in oceans kill fish
- Buried trash can't decompose without air
- 4 million pounds hazardous waste per year from homes
